

If you can't get to a coral reef, let us bring a
coral reef to you!

The Center for Ocean Science Education Excellence-
West invites teachers to join us in an online
workshop to learn about coral reefs and how to use
coral reef science in your classroom curriculum.

"THE ECOLOGY OF CORAL REEF COMMUNITIES"

March 1-15, 2005

Keynote presentations by Dr. William Hamner of UCLA and
Dr. Richard C. Murphy of Ocean Futures Society

**COSEE Mentor Teachers and Content Specialists will be
online to facilitate discussions and help you adapt the
material to your classroom!**

**THE WORKSHOP IS FREE BUT THE NUMBER OF
PARTICIPANTS IS LIMITED!**

Click here to sign up starting Feb. 1, 2005

K-12 teachers may also sign up to receive one (1) unit of graduate credit
through California State University Fullerton**

** \$50 registration fee. Fifteen (15) hours of participation online and development of one classroom
lesson plan required.
